Program Installation:

1- Insert the *FarabiSchool* DVD into your DVD-ROM drive. The Installation program starts automatically. If it does not start automatically follow the instruction below:

Go to Start menu Run and type in “d:\setup.exe”. “d” is your DVD-ROM drive name.

2- **FarabiSchool-en Setup Wizard** window appears. Press the **Next** button to get started.

3- The **Select Installation Folder** window appears. Either select the default folder in **Folder** box and press the **Next** button or change the installation path by pressing the **Browse** button and specifying the path in which the program should be installed.

4-At the **Confirm Installation** window, press the **Next** button to start installing the program. Wait until the installation process is complete.

5-The **Installation Complete** window appears. Press the **Close** button.

6- Once the installation is complete the *FarabiSchool* program can be launched from the Start menu. A shortcut also appears on the desktop.

Program Registration:

Note1: An internet connection is required for the registration process.

Note2: The serial number (SN) is written inside the DVD box.

Note3: Each program with a specified serial number can be used by three users.

1- In the first attempt to launch the program, the **Registration Wizard** window appears.

Press the **Next** button to get started.

2- At the **TBD** window you can choose either the **Manual Registration** (recommended) or the **Automatic Registration** radio button. If you choose the Manual Registration option go to step 3. If you choose the **Automatic Registration** button go to step 4.

3- Inside the **Manual registration** window, a **Computer ID** appears. Obtain the **Registration Code** from the following internet address:

HYPERLINK "http://www.Soutazin.ir/farabischool/ver10/register.asp"
<http://www.Soutazin.ir/farabischool/ver10/register.asp>

When the **FarabiSchool activation code generation** page on your browser appears, enter your information, the **Computer ID**, and the **Serial Number** and press the **Get Code** button.

Copy the generated code from the webpage and paste it on the designated space on the **Manual Registration** window. Press **Next** Button. Go to step 5.

4- At the **Automatic Registration** window, enter the **Customer Information** and **Serial Number** and press the **Next** button. Wait until the registration process is complete.

5- When the registration is complete, press the **Close** button.
