

### System Requirements:

- Hardware requirements:
  - CPU 1.6+ GH
  - Sound Card
  - DVD Drive
  - Mouse
- Software requirements:
  - Windows XP sp2 / Vista / 7 / Server2003sp2
  - Windows Media Player 10+
  - Microsoft .NET 3.5

### Installation:

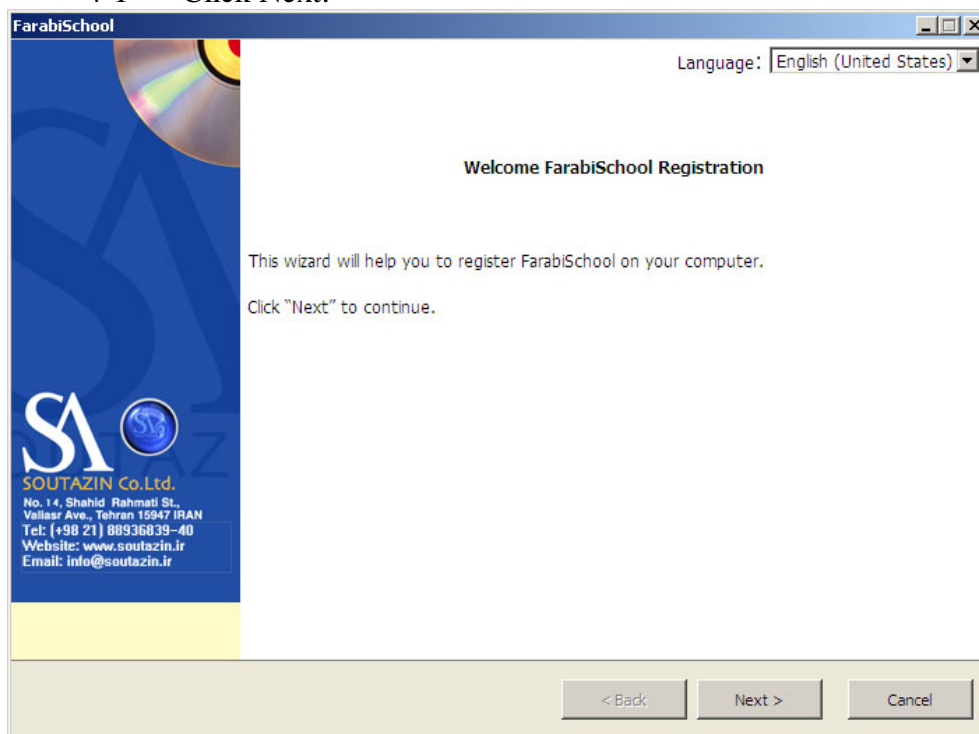

To install FarabiSchool, version 1.2, do the following steps:

1. Insert FarabiSchool DVD in your DVD drive.
2. Wait a few seconds until the autorun Farabi starter program get started. If this program does not start, you should run FarabiStarter.exe program yourself from the DVD.
  - **If the starter program failed to run, possibly you need to install Microsoft .NET 3.5 manually from FarabiSchool DVD.**
3. If you see the following window click the active links on the window to install required components on your system:

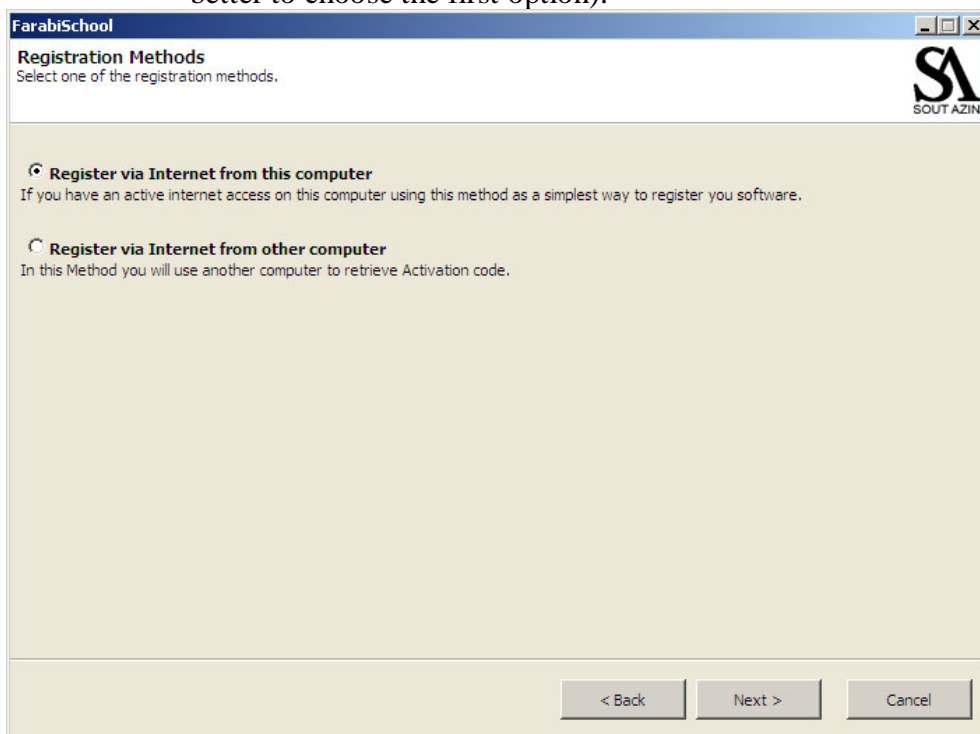

4. After installing the prerequired components, you should complete successfully a registration wizard:

4-1- Click Next.

4-2- Select type of registration (If you have an Internet connection it is better to choose the first option).

4-3- Enter your personal information (optional) and serial number (required) and press Register button.

The screenshot shows a window titled "FarabiSchool" with the subtitle "Automatic Registration via Internet". Below the subtitle is the instruction "Please enter required information and click on register." and the Soutazin logo. The form contains the following fields: "Name:" (text box), "Last Name:" (text box), "Company:" (text box), "E-Mail:" (text box), "Phone:" (text box), and "Serial Number:" (four separate text boxes separated by hyphens). A note at the bottom states: "\*Please make sure you have internet access before clicking the register button." At the bottom right are three buttons: "< Back", "Register", and "Cancel".

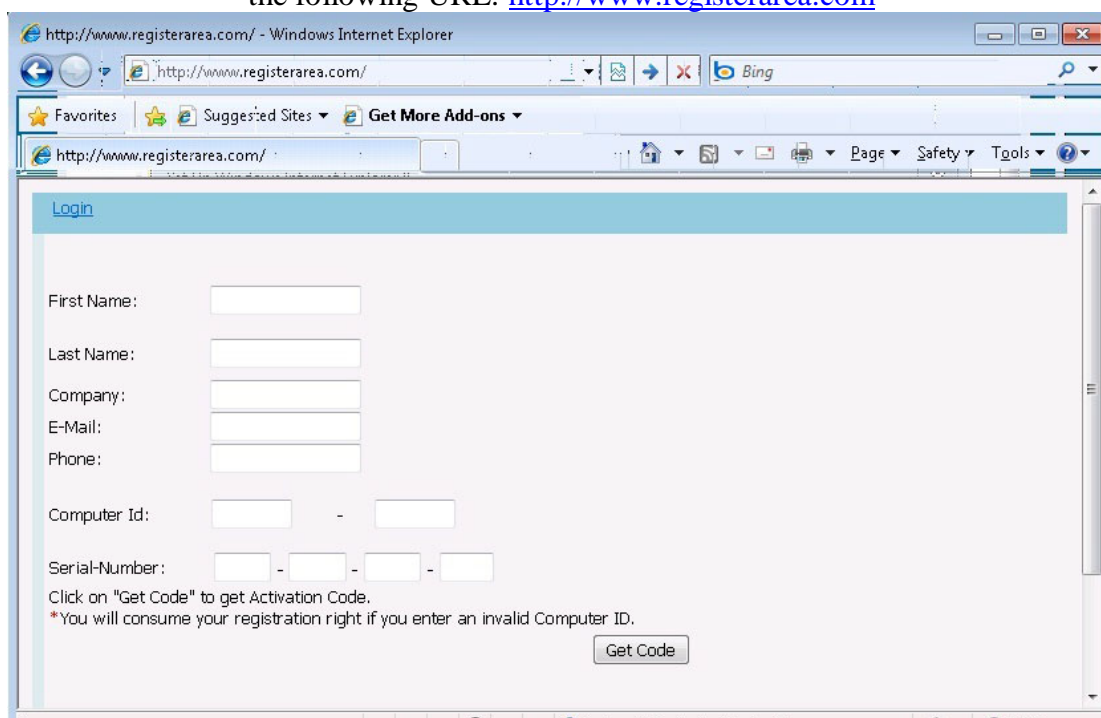

Go to the step 5.

4-4- In section 4-2, If you have selected the second option you will see the followin window, instead of the one you saw in 4-3:

The screenshot shows a window titled "FarabiSchool" with the subtitle "Register Software from another computer that has internet access". Below the subtitle is the instruction "Please enter your name and activation code then press 'Register' Button." and the Soutazin logo. The form contains the following fields: "Computer Id:" (text box with value "20113-14152"), "Name:" (text box), "Company:" (text box), and "Activation Code:" (text box with up/down arrows). A note at the bottom states: "Please Browse following URL on the computer and enter required information to get the activation code then retype Retrieved code in activation code section of this form." Below this is the URL: "URL to Get Activation Code: <http://www.registerarea.com>". At the bottom right are three buttons: "< Back", "Register", and "Cancel".

Remember Computer ID.

- 4-1- Using a computer that have connection to the Internet browse to the following URL: <http://www.registerarea.com>

A screenshot of a web browser window showing the registration page for FarabiSchool. The browser is Internet Explorer, and the address bar shows 'http://www.registerarea.com/'. The page has a blue header with the word 'Login'. Below the header, there are several input fields: 'First Name:', 'Last Name:', 'Company:', 'E-Mail:', 'Phone:', 'Computer Id:' (with two sub-fields separated by a hyphen), and 'Serial-Number:' (with four sub-fields separated by hyphens). Below these fields, there is a small text box that says 'Click on "Get Code" to get Activation Code.' and a note '\*You will consume your registration right if you enter an invalid Computer ID.' At the bottom of the form is a button labeled 'Get Code'.

- 4-2- Complete the required field and then press Get Code button.  
4-3- If you entered correct ComputerId and Serial-Number you will receive an activation code. Copy given activation code and enter it in the Activation Code field of the given form of section 4-4.  
4-4- Press Register button.
- 5- If you received a successful registration message, press Finish button.  
6- You will see FarabiSchool program, We wish you to enjoy it.
